Webster Junior High School
Newark, New Jersey
Class of
June, 1954

Administration

The time has come for another group of boys and girls to graduate from Webster Junior High School.... those of you whose individual pictures appear on the following pages. May you go forward with heads high and with faith and hope in your hearts!

Remember that this is but the commencement of a broader and fuller life ahead....that your Future is what you make of it in terms of higher education and the development of your own talents and best traits.

It is our most sincere desire that each graduate of the Class of June, 1954, will be a worthy citizen in accordance with the finest traditions of America.

Edward J. Serren
Principal

May I take this opportunity to offer my sincere congratulations to each and every member of the June, 1954, graduating class?

And may I say that I do hope that you will look into the Future to the extent that you will complete your high school education? And, to those whose time and effort allow, continue on to college.

Best wishes for success and happiness to you all!

Edward W. Rutledge
Vice-Principal

Dedication

We, the graduating class of June, 1954, proudly and confidently dedicate our yearbook to the Future. Little do we realize what lies ahead, but we do know that the past few years have been precious ones, never to be forgotten. We only trust that the Future, whatever it may hold in store, will be just a little brighter and more successful for having had its foundation here at Webster Junior High School.

a big dog into the home-room?

LOLA CARNAVAL came to school with
a half-made skirt?

BARBARA MELLEACE fell off the swing?

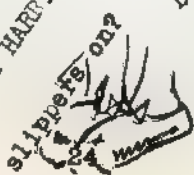

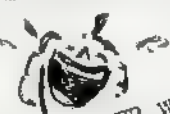

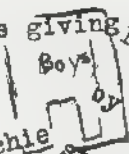

Mr. TESTA was blowing air in a
bottle to get an egg out and
he said: "My wife should see
me now?"

DELIA BARILE asked bashful Ivan to
scratch her back?

JOE CIAVARRO did his algebra by himself?

BARBARA CLARK spilled milk over
JOAN DE SANTO's head and said
"It was an accident?"

Webster Songs

"WEBSTER MARCHING SONG"

We are the B - E - S - T, "Best,"
Of all the R - E - S - T, "Rest;"
And we surely can reveal
How Webster makes us feel.

When we work and when we play
We will do our best each day
To make Webster Junior High the best,
Yes, the best in every way.

**

"FAREWELL TO WEBSTER" (Alma Mater)

The days roll by,
The moments flee;
Now happy hours
Are memory.

Chorus:
The friendships warm,
The lessons true,
Dear Webster Junior High,
We owe them all to you.

In years to come
We'll sing thy praise,
For we will ne'er
Forget these days.

Chorus:
The friendships warm,
The lessons true,
Dear Webster Junior High,
We owe them all to you.
